

Shravani Chendwankar

Front-End Web Developer

 ShravaniCoder |  shravani-chendwankar |  shravanichendwankar@gmail.com |  +91 79773 45818

SUMMARY

Frontend Developer with 8 months of experience in building responsive and user-friendly websites using React.js, Next.js, and Tailwind CSS. Familiar with backend technologies like Node.js, Express.js, MongoDB, Firebase, and Cloudinary. Experienced with GitHub and Postman for version control and API testing. Quick learner who enjoys taking on new challenges and improving skills. Looking for a full-time opportunity to grow as a developer and contribute to a strong, supportive team.

WORK EXPERIENCE

Virtus Interior Products: Web Developer (Freelance)

July 2024 - October 2024

- Designed and implemented engaging UI features such as parallax scrolling, Swiper.js sliders, and interactive FAQ dropdowns using React hooks and props. Enhanced user experience with multi-filter product search
- Created a custom admin panel for the client to upload project images and location names dynamically
- Integrated Cloudinary for secure, cloud-based image storage and optimised delivery
- Developed a full-stack web application using React.js, Node.js, Express.js, and MongoDB for efficient data handling, and utilized Axios for seamless API communication
- Created a contact page with Formspree and integrated WhatsApp for real-time buyer-seller communication
- Contributed to strengthening the company's online presence through LinkedIn and Instagram

MixDorm: Web Designer (Freelance)

August 2024 - September 2024

- Developed dashboard pages using Next.js and Tailwind CSS, ensuring a responsive and pixel-perfect design based on Figma layouts
- Integrated Chart.js for dynamic and interactive data visualisations within the dashboard
- Utilised Swiper.js for smooth image sliding functionality, enhancing the overall user experience

Experts Coder: Frontend Developer Internship (Remote)

March 2024 - June 2024

- Gained hands-on experience with React.js, Swiper.js, CSS, and JavaScript animations
- Learned to build responsive and interactive web interfaces
- Focused on implementing smooth UI components and animations for enhanced user experience
